

PURVEYOR TO  
HER MAJESTY THE QUEEN OF DENMARK

# GEORG JENSEN DAMASK

## SOFT SCANDINAVIAN LIVING THROUGH CENTURIES

Georg Jensen Damask offers classic collections of celebrated textiles for the home: bed linen, towels and tea towels, tablecloths, napkins and sleepwear you will want to own forever. Beautiful and purposeful, each piece is woven from the finest materials and with the ambition to make everyday life a little more sensuous.

We have been weaving quality textiles for centuries. Our exclusive products celebrate natural softness, while our renowned quality has been shaped by specialist craftsmanship techniques passed through generations. The collection includes iconic pieces by some of Scandinavia's most talented designers—from Arne Jacobsen to Cecilie Manz. A Georg Jensen Damask design is a wonderful gift for anyone and any occasion.

We are proud to be Purveyor to  
Her Majesty The Queen of Denmark...

... and to you.

# THE KITCHEN

Beautiful and practical textiles are indispensable in the kitchen when preparing meals. Tea towels, kitchen towels and dish cloths are textiles that you need every day and that must fulfil both a functional and aesthetic purpose.

TEATOWELS

## ABILD

This is a classic tea towel with harmonic stripes as its bearing design element. Woven from a strong linen and cotton combination providing optimal drying capacity.

**Material:** Woven from 50% cotton and 50% linen

**Design:** Designed by Bent Georg Jensen

## ORIGINAL STRIPE

The Original Stripe tea towel is woven in a beautiful striped pattern inspired by a classic design that goes far back in our archives. The tea towel is woven from cotton and linen – a blend that provides optimal absorbency and a light and exclusive look.

**Material:** Woven from 60% cotton and 40% linen

**Design:** Designed by Georg Jensen Damask

KITCHEN  
TOWELS

1959

A classic kitchen towel in soft cotton, which ensures superior absorbency. 1959 is a lighter alternative to the other kitchen towels in the collection, and can therefore also be used as a tea towel.

**Material:** Woven from 100% cotton  
**Design:** Designed by Bent Georg Jensen

## ORIGINAL WEAVE

The Original Weave kitchen towel is woven in 100% cotton. The kitchen towel is woven with small pockets which make the fabric very absorbent, and it can be used as a towel or a tea towel. The special waffle weave was developed long ago and has now been revived.

**Material:** Woven from 100% cotton

**Design:** Designed by Georg Jensen Damask.

A photograph of a kitchen countertop. In the foreground, a brown, textured dishcloth is folded. In the background, a dark, round plate sits on the countertop with a wooden-handled brush resting on it. The countertop has a light-colored, marbled pattern. The text "DISHCLOTHS" is overlaid in the center-right of the image.

DISHCLOTHS

## NORS

Nors is a soft and stylish dishcloth made from 100% cotton. The dishcloth features a honeycomb knit pattern that creates small pockets for the water, thus offering superior absorbency. The dishcloth is easy to wring out and does not leave streaks on wiped surfaces.

**Material:** 100% cotton

**Design:** Designed by Susanne Nors
